INDEPENDENT AUDITOR'S REPORT

April 7, 2022

To the Board of Directors
Cape Ann Museum, Inc.
27 Pleasant Street
Gloucester, Massachusetts 01930

Opinion

We have audited the accompanying financial statements of Cape Ann Museum, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cape Ann Museum, Inc. as of December 21, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cape Ann Museum, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cape Ann Museum, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cape Ann Museum, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cape Ann Museum, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Yours truly,

Gloucester, Massachusetts

CAPE ANN MUSEUM, INC.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. OPERATIONS

The Museum, a public, not-for-profit organization, was founded in 1873, incorporated in Massachusetts in 1876 and changed its name to "Cape Ann Museum, Inc." in 2014. Its purposes are the ownership, operation, preservation, and exhibition of historical buildings, objects and records, and works of art. The Museum maintains a historic house at 27 Pleasant Street, Gloucester, supplemented by two modern wings where its collections are exhibited. The Museum also maintains the historic White-Ellery house and Babson-Alling house as part of an almost 4-acre campus at 13 Poplar Street, Gloucester. A centerpiece of this property is the newly completed Collections Center including an Exhibitions/Education flex space. This campus, titled the Cape Ann Museum Green, encompasses use of a property at 11 Poplar Street, Gloucester. The Museum sponsors special exhibits, lectures, films, concerts, and excursions for its members and for the public.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of presentation

The financial statements of the Museum have been prepared on the accrual basis of accounting and accordingly, reflect all significant receivables, payables, and other liabilities.

The Museum is required to report information regarding its financial position and activities based on the existence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions – net assets available for use in general operations and not subject to donor or certain grantor restrictions reported as increases in net assets without donor restrictions.

Net assets with donor restrictions – net assets subject to donor (or certain grantor) imposed restrictions. Some donor or grantor restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are permanent in nature, where the donor stipulates that resources be maintained in perpetuity.

CAPE ANN MUSEUM, INC.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

A. Basis of presentation (continued)

Contributions that are restricted by the donor are reported as increases in net assets with donor restrictions until the restriction expires (that is, when a stipulated time restriction ends or a purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, the net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restriction. Gifts of long-lived assets and cash restricted for the acquisition of long-lived assets are recognized as contributions with donor restrictions when received or acquired and the restriction is released when the assets are placed in service.

B. Investments

The Museum reports investments in marketable equity securities with readily determinable fair market values at fair market value.

C. Cash and cash equivalents

Cash consists of the Museum's checking accounts for operations and capital campaign funds. Certain money market funds and time deposits designated by the Board and held by the Museum's Investment Custodian are not deemed to be cash.

D. Donated services

A substantial number of unpaid volunteers have made significant contributions of their time to develop the Museum's programs and activities. The value of this contributed time is not susceptible to objective measurement and valuation and therefore is not reflected in the accompanying financial statements.

E. Inventory

Inventory primarily consists of publications, photos, postcards, and other items of historical content as well as educational and household items relevant to the Museum's programs. These are sold to the public in the Museum's gift shop. Inventory is valued at the lower of cost (first-in, first-out method) or market.

CAPE ANN MUSEUM, INC.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)

F. Accrued compensated absences

The Museum does not provide for carryover of compensated absences and therefore no accrual is made.

G. Tax positions and filings

The Museum has been granted tax-exempt status under Internal Revenue Code Section 501(c) (3) and is, therefore, generally exempt from federal and state income taxes. Accordingly, no provision for income taxes has been provided in the accompanying financial statements. The Museum is not a private foundation.

The Museum is required to evaluate or disclose tax positions that could have an effect on the Museum's financial statements. The Museum reports its activities to the Internal Revenue Service and to the Commonwealth of Massachusetts on an annual basis. These informational returns are generally subject to audit and review by the government agencies for a period of three years after filing. Substantially all of the Museum's income, expenditures, and activities relate to its exempt purpose, therefore, management has determined that the Museum is not subject to unrelated business income taxes and will continue to qualify as a tax-exempt not-for-profit entity.

The Museum has filed all of its known required returns in a timely manner including, as permitted, allowed extensions. As of December 31, 2021, the Return of Organization Exempt From Income Tax on Form 990 for the years after 2017 remain open to examination by the Internal Revenue Service and the Massachusetts Attorney General's Office.

H. Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingencies at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Estimates are used for, but not limited to, allocations of expense to functional categories, depreciation and amortization, accrued liabilities, and other reserves. Accordingly, actual results could differ from those estimates.

I. Functional allocation of expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

This policy adopts a 10 year investment horizon and has as its objective a goal to preserve and maintain the principal with a balanced portfolio of diversified investments. With the exception of the Margaret Farrell Lynch Fund, the spending policy is to distribute 4% of the trailing 12 calendar quarter average of the endowment funds.

4. PROPERTY AND EQUIPMENT

Land, buildings, and equipment are located in Gloucester, Massachusetts, and are carried at cost or fair market value for donated items. Expenditures for maintenance and repairs are charged to expense in the current period. Major repairs and acquisitions, greater than \$1,500, with a useful life greater than one year are capitalized and depreciated/amortized using the straight-line method over estimated useful lives ranging from three to forty years. A summary of land, buildings, equipment, and accumulated depreciation and amortization is detailed below:

5. COLLECTIONS

Collections consist of works of art, objects, artifacts, and records reflective of the Museum and its heritage. Collection items, whether purchased or donated, are not capitalized because their intrinsic value is not susceptible to reasonable estimation. The collection is carried at \$1.00. It is the policy of the Museum that proceeds from the sale of collection items will be used to purchase additional collection items or to maintain or preserve the collection. New acquisitions are then charged as collection acquisitions.

The Collections of the Museum are its primary asset and their display and accessibility to the public are two of its primary objectives. A collections committee monitors the acquisition and disposition of collection items. The committee and management are responsible for recommending and implementing measures to enhance the conservation, maintenance, and security of the collection.

6. LINES OF CREDIT

The Museum has an available line of credit to draw upon as needed for operating activities. The current terms for this line allow borrowing of up to \$200,000. 7. REVENUE RECOGNITION

The Museum is dependent on membership and donation revenue and its ability to collect amounts owed on unconditional promises to give. The success of the economy as a whole impacts the nature, amount, timing, and uncertainty of revenues and cash flows. Revenue from membership is comprised of various levels of membership categories paid in advance of expiration. Deferred revenue from these membership levels were as follows:

8. BOARD DESIGNATED ENDOWMENT

The Board of Directors voted in December 1997 that \$2,000,000 of otherwise unrestricted investments will be held as a "Board Designated Endowment" to preserve and protect the future financial security of the Museum. The Museum fully funded this vote with the transfer of funds to its Investment Custodian in January 1999. In December 2018, the Board designated endowment was increased to \$3,000,000. Appropriations of the board designated funds are subject to specific board approval. These funds are invested alongside all other endowment funds.

11. FAIR VALUE OF INVESTMENTS

The Museum, in accordance with U.S. generally accepted accounting principles, implemented the following requirements related to the fair value measurements for its financial assets and liabilities. The adoption of these principles did not have a material impact on the Museum's financial position or results of operations. U.S. generally accepted accounting principles refines the definition of fair value, expands disclosure requirements about fair value measurements, and established specific requirements as well as guidelines for a consistent framework to measure fair value. U.S. generally accepted accounting principles defines fair value as the price that would be received to sell an asset, or paid to transfer a liability in an orderly transaction between market participants.

Further, U.S. generally accepted accounting principles require the Museum to maximize the use of observable market inputs, minimize the use of unobservable market inputs and disclose the form of an outlined hierarchy of the details of such fair value measurements.

U.S. generally accepted accounting principles specify a hierarchy of valuation techniques based on whether the inputs to fair value measurement are considered to be observable or unobservable in a marketplace. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Museum's market assumptions.

11. FAIR VALUE OF INVESTMENTS (CONT.)

This hierarchy requires the use of observable market data when available. These inputs have created the following value of hierarchy:

Level 1 – Quoted market prices in active markets for identical assets or liabilities.

Level 2 – Observable inputs other than those included in Level 1. For example, quoted prices for similar assets in active markets or quoted prices for identical assets in inactive markets.

Level 3 – Unobservable inputs reflecting management's own assumptions about the inputs used in estimating the value of the asset.

The following table summarizes the Museum's financial assets measured at fair value on a recurring basis in accordance with U.S. generally accepted accounting principles as of December 31, 2021:
